It is time to curl!

With the Canadian government waiving the requirement for fully-vaccinated travellers to enter Canada starting April 1st (next Friday), we hope that you will come curl for free. We are planning to end the season on May 7th so there's still 5 weeks of curling left.

It has been 2 long years dealing with COVID-19 and we miss you! The N.F.C.C is not the same without you. It will be great to see you on the ice and to reconnect in the lounge. The Club has undergone a few improvements and we can't wait to show you!

We have open ice most days and evenings, there is always the opportunity to spare in any of the leagues or we can arrange some pick up a game.

Please email Sean Ford at manager@niagaracurling.com to let him know when you are planning to come and make sure there is an opportunity for you to get into game.

Also, check out the Events page on the Club's website: www.niagaracurling.com/events for the latest on events we have planned before the ice comes out on May 7th.

To enter Canada, you do need to complete the requested information on the ArriveCAN app to present to the Canada Border Services Agency officer: <https://arrivecan.cbsa-asfc.cloud-nuage.canada.ca/en/welcome>

We look forward to seeing you back at the Club!

Most sincerely;

Rob Walters
