This summer's agenda includes a lot of lounging, mixing up fresh cocktails, possibly starting new home renovations — and we've got everything here to get you started

WRITTEN BY ESTELLE ZENTIL

### BRAZILIAN BLOOMS

Created by Josef Frank, a well-known Austrian architect of the 20th century, this vibrant upholstery fabric print showcases the diversity of the Brazilian rainforest, featuring a large liana among exotic fantasy flowers, breadfruit and cherimoya.

### LOUNGER LOVE

Sleek, simple and with a boxy silhouette, this lounge's frame and modern design makes it easy to follow the sun on a hot summer day by the pool.

### COOL COCKTAILS

With cocktail mixer names, such as casa colada, hibiscus strawberry smash and grapefruit orange paloma, nothing screams summer like Casamigos's craft cocktails.

### HEART OF THE HOME

With clean lines, an all-white palette and conveniently hidden stools, this kitchen's classic design will never go out of style, serving as the ideal gathering spot for guests.

### MIDAS TOUCH

With the touch of a button, Nespresso's Vertuo coffee machine reads each capsule's bar code, turning your coffee into liquid gold, unleashing the aromas, flavours and, most importantly, the crema.

## SLUMBER IN STYLE

Combining rustic character and industrial style with a dark metal framework, this bed from Pottery Barn's Warren Collection pairs beautifully with other accessories in your bedroom that feature wood or metal elements. [www.potterybarn.ca](http://www.potterybarn.ca)

## SETTING YOURSELF APART

As we find ourselves in the confines of our garden this summer, why not take advantage of the art of tablescaping? It will not only make any meal a special occasion, but will also cheer up your Instagram followers.

## ACCENTS FOR EVERYONE

With a plethora of swoon-worthy décor options to jazz up your space, Black Rooster Decor won't disappoint when it comes to elevating your space with fresh and exciting accent pieces. [blackroosterdecor.com](http://blackroosterdecor.com)

## LEARNING TO GROW UP

Get started on a planting project that will satisfy both you and your child's creativity by placing scraps from cooking vegetables, like leeks, onions and Jerusalem artichokes, into KORKEN jars filled with water.
