DIGITAL MANAGEMENT OF YOUR EMPLOYEE LIFECYCLE FROM HIRE TO RETIRE

ELECTRONIC FORMS FOR QUICK INFORMATION COLLECTION

- Leverage web-based employment applications, expense reports, or PTO request forms.
- Utilize web forms to collect information on applications, I-9 and W-4.

AutovationHR
By Paperless Solutions Incorporated

Collect information for employee lifecycle management, onboarding and more with our electronic form solutions.

GlobalSearch®

The information is immediately stored in a secure, searchable database.

SIMPLIFY THE ONBOARDING PROCESS

Automatically route documents regarding hiring decisions, and use automated notifications for missing information or when the process is complete.

PRIVATE AND SECURE ACCESS TO EMPLOYEE RECORDS

- Protect sensitive employee information with secure, permission-based access and ensure compliance using a solution that is HIPAA and EEOC compliant.
- Organize all your employee records in one secure location where both HR and hiring managers can quickly access the same information even from remote locations.

AR MANAGEMENT   **HR MANAGEMENT**   **CUSTOM SOLUTIONS**

When you partner with Paperless Solutions, we make a promise to serve as your technical consultant in every area of your business. As your business grows, we are here to assist you with electronic forms packages, employee onboarding and records management, AR automation and so much more.
