What should I bring to vote?

- An acceptable form of photo ID includes, but is not limited to, the following:
 - ♦ Texas Driver's License issued by the Texas Department of Public Safety (DPS)
 - ♦ Texas Personal Identification Card issued by DPS
 - ♦ Texas Election Identification Certificate issued by DPS
 - ♦ Texas Handgun License issued by DPS
 - ♦ United States Military Identification Card containing the person's photograph;
 - ♦ United States Citizenship Certificate containing the person's photograph
 - ♦ United States Passport (book or card)
 - ♦ If you are 18-69 years old, then you may use an approved photo ID that is expired for up to 4 years. If you are 70+ years old, then the photo ID may be expired for more than 4 years.
 - ♦ If you do not have a photo ID, then you may fill out a Reasonable Impediment form, and use a supporting form of ID:
 - Voter registration certificate, or
 - Certified US (including territory) birth certificate, or
 - Current utility bill, bank statement, paycheck (must show your name and ANY address) or
 - Government check (must show your name and ANY address) or
 - Any other government document showing your name and ANY address (examples: an out-of-state license, a government employee ID)
 - ♦ Voters who do not have an acceptable form of ID or a supporting document with them may vote on a provisional ballot but must come to any of the voter registrar's nine branch locations within six days after the election to verify their identification (also known as "curing").
 - ♦ Library cards of any kind (Houston Public Library, Harris County Public Library's Enhanced+ Photo ID) ARE NOT acceptable forms of ID.
- Your printed sample ballot or handwritten notes.
 - ♦ Phones, tablets, laptops, and other electronic devices are not to be used within 100 feet of the entrance of a vote center. It is against the law, as they can be used as recording devices.
- An assistant, if needed.
 - ♦ If you need help in the voting booth, you may bring someone to help you read the screen. You must notify the presiding judge so that your helper can take an oath and sign the appropriate paperwork, swearing they are not forcing you to vote against your will or persuading you to vote a certain way.
 - ♦ If you are deciding to vote in person, rather than use your mail ballot, then bring your mail ballot to surrender.
 - ♦ If you do not bring your mail ballot with you, no problem. The election workers will set you up so that you can vote provisionally.
- If you voted provisionally because you did not have an appropriate ID or supporting document, then you must cure your ballot within six days of the election. This means you must bring an ID to one of our ten branch locations or Central Count (NRG Arena, Hall D) to verify your identity.
