EXPERIENCE

NOT NEW BUT TRUE

15 years in the music industry, 20 years event planning & production, 20 years event marketing, collectively over 40 years of industry experience

—

THE PROBLEM

Organizations lack resources to obtain entertainment, limited contact within the industry, uncertainty of the talent pool, inefficient process for planning, a lack of of creativity in event execution

Award winning musicians, critically acclaimed authors & poets, diverse set of singers/songwriters, crowd favorite hosts & comedians, award nominated film directors & producers, in-house videographers/photographers, music industry influencers

THE TALENT

THE VISION

Identify the event needs, work within our client's specified budget, tailor the entertainment based on the need, propose the talent that we believe is a fit for you, confirm the details and solidify the event date, consultation along the way (one-on-one, Zoom, face to face)

THE SOLUTION

Specialized process for hiring entertainers, exclusive access to a variety of talent, proven experience with artists and performers, streamlined event planning, handling from a local, national, international standpoint

Local

National

International

THE ABILITY

Ease of talent hiring process, zero time spent on finding the talent, filter of communication through one point of contact, saving time on event planning, overall cost savings, provide constant value added processes
