BARRIER FUNCTION

BALANCE

EXCESS OIL

Charcoal

- absorption
- purifies

Salicylic Acid

- BHA, oil-soluble
- cell turnover

Ascorbic Acid

- brightening
- melanogenesis
inhibitor

REGULATES SEBUM
PRODUCTION,
CLARIFIES PORES +
INCREASES CELL
TURNOVER

DETOX

SKIN RESTART

Green Tea

- antioxidant
- anti-inflammatory
- historical

Alantoin

- soothing
- swelling/injuries

Copper

- vital to all cellular
activity
- bioenergizer
- antioxidant
- anti-inflammatory

SOOTHING
PROTECTION AGAINST
ENVIRONMENTAL
AGGRESSORS,
REDUCES
INFLAMMATORY
RESPONSES

REVIVE

ANTI-AGING

Peptides

- messenger
peptides
- regenerates from
the dermis

Retinol

- cell turnover
- clear complexion
and tone

Red Algae

- hydration
- antioxidant

SUPPORTS DERMAL
