

April 2025 Chairman’s Newsletter

Hello Members and Friends,

After an amazingly successful but exhausting 2024, there is concern around the country that Republicans have relaxed and are perhaps a bit complacent. We won the battle, but the war continues, and so the FCRP is a remarkably busy place. The new executive board is already planning, and we need all hands on deck to assure our success locally in 2025 and again in 2026. Please take a look at our upcoming events below and join us to continue the work of saving our nation.

Except for the District Conventions, all events take place in the Event Center.
