

Republicans Go Low

From the Chairman's Pen

Michelle Obama's contrived slogan, "when they go low, we go high" is attributed to her sense of loftiest and elitism. Her slogan is an attack on the character of all Americans who disagree with her ideology. Remember she said, "for the first time in my life I'm proud to be an American" when her husband's campaign for the Presidency caught traction. Michelle Obama, like Hillary Clinton, is attacking people who don't support their left-wing, progressive, socialist politics. Hillary Clinton described those who did not support her run for President as **"a basket of deplorables" in other words..." lowlives"**.

Former Vice President Joe Biden joined the chorus recently calling conservatives " dregs of the earth". Yet Biden is considering another run for the presidency in 2020. Should he run he need not expect to get support from the "lowlives", "deplorables" and the "dregs of the earth". That being said, we will re-elect President Trump to ensure that we **"KEEP AMERICA GREAT"**.

Let's take a closer look at the facts:

REPUBLICANS GO LOW	DEMOCRATS GO HIGH
<ul style="list-style-type: none"> • Low taxes • Low health care cost • Low illegal border crossings • Low unemployment • Low crime rates • Low deaths from opioids • Low school drop-out rates • Low number of Americans on food stamps and welfare • Low number of nations and terrorist groups threatening our national security 	<ul style="list-style-type: none"> • High taxes • High health care cost • High illegal border crossings • High unemployment • High crime rates • High opioid deaths • High school drop-out rates • High number of Americans on food stamps and welfare • High number of nations and terrorists who are prepared to attack Americans at home and abroad.

WHEN WE GO LOW, THEY GO HIGH.
