

March 23, 2024

Dear Republicans, Friends, and Members,

Welcome to the 2024 Fayette County Republican Convention. If you are new here, The Fayette County Republican Party is pretty much a Grass Roots Conservative- Make America Great Again (maybe even recognizable again!) organization. We believe that our elected officials should know us and represent us, voting in a way that protects the values we hold dear. We believe in common sense and logic in government as reflected in the GA Republican Party Platform

We run the Fayette County Republican Party in the same way, with common sense and logic guiding our decisions. We are a united team, knowing each other's strengths, helping each other, bouncing ideas off each other, working together. Our unity and focus are helping our party grow in number and commitment.

**Today, I am placing a 911 call to you!** On the back of this letter is a list of our Republican Candidates and their Democratic opponents. This is our Revolutionary War moment. If we don't act the Democrats are going to turn Fayette County blue. That is their goal. We need every Republican to get behind these candidates. I am asking you to dedicate at least 4 hours a month to help in the office, text people, door knock, drive for door knockers, and/ or poll watch. You can call or text me at 770-714-9737 with how you want to help. If you don't text or call me first, I will be going down the list of members and calling you to see how you can help. By getting involved in helping our candidates, you will be joining the fight to save your County, State, and the USA.

There are many ways to get involved. Be sure to attend some of our meetings and events. You will learn a lot as well as get to know other great conservative Republicans. I am pleased to say that:

- At our last Saturday Morning GOP Breakfast, we had over 90 people in attendance.
- At the last Young Republican Meeting we had 9 young people and 3 new leaders for a total of 12! This group is just beginning, so spread the word. We need to support and guide our young people.
- The Greater Fayette County Republican Women's Club had a full house on Tuesday and listened to District Attorney Marie Broder.
- The last Republican Men's Club had 40-50 in attendance with a speaker about the Data Center located on HW 54.

We also have exciting and informative special events.

- On January 20 we hosted Marjorie Taylor Greene who spoke to us about the January 6 persecutions and signed copies of her new book.
- On March 9 we premiered Border Invasion: An American Crisis, a groundbreaking documentary touring the southern border and viewing the crisis through the eyes of former agents!
- **Tomorrow, Sunday, March 24 at 3:00 join us at our 3<sup>rd</sup> District US House of Representative Forum at the Event Center in Fayetteville. Come hear our 3<sup>rd</sup> district candidates answer questions. Jim Bennett, Mike Crane, Brian Jack, Mike Dugan, and Philip Singleton have confirmed they will attend.**

I am passionate because I believe we are fighting a war for the heart and soul of America, for the values Republicans treasure. Folks, this all takes work. We can win this war in Fayette County this year with door knocking and texting. That is how we flipped the PTC Council conservative. We need Tyrone, PTC, and Fayetteville door knocking and texting teams. If you don't like to go to the door and meet people, we need drivers and texters. With a concentrated effort we can stem the tide of Democratic candidates. We need you!

I know many of you want to be delegates. The nominating committee has decided on the delegates by the work the applicants have done in the party in the last 2 years. **Everyone who has applied to go to the district or state convention will have the chance to go, as a guest, alternate delegate, or delegate.**

I usually have a calendar for you for the next month - but I am challenging you to use our website.
