

July 2024

Dear Republicans,

Did you see the debate? I think Donald Trump's statement about there will be no saving America if Biden gets another 4 years is the truth. You probably feel the same way. Are you going to sit and complain about it or are you going to get off your rear end and do something about it? There are only about 80 active Republicans who are trying to effect positive conservative change here in Fayette County. We could do more if you got involved.

Here are a few easy jobs.

- a. We are trying to staff our Office in Fayetteville, behind Arby's, with 10 am -6pm coverage, 5 days a week. Your shift would be 4 hours a week or every other week. You get to sit in an airconditioned office and greet visitors who are buying merchandise or wanting to get involved with Fayette County Republicans. We need dedicated people to take a shift or to be on a substitute list.
- b. The Trump 47 Headquarters, 109 N 85 Parkway Unit D, Fayetteville, Ga 30214. is looking for volunteers to staff its office at times too. Regular shifts and substitutes.
- c. The Peachtree City, Tyrone, and Fayetteville doorknockers are looking for volunteers to knock on doors in these respective areas. Get to know some dedicated Fayette County Republican Party members! As many or as few hours you want each week. This will probably start after Labor Day.
- d. The Trump 47 Force has a great program to get out the vote. There is an orientation powerpoint to explain the program that takes 1 hour. Probably a few hours a week commitment. - e. We at the Fayette County Republican party need all sorts of talents and can use your special talent: recent days we have had a retired military officer step up to do excel work for organizing Republican voters, we have a Hollywood, Malibu contractor going to help with a repair in our Headquarters., we have a retired executive secretary volunteer for staffing our office and writing. We need cooks, seamstresses, writers, website workers, painters, cleaners, - all sorts of workers. Let us know your special talent.
- f. We also need people to apply as poll workers or help us by poll watching. This is a job done during early voting and day of poll watching.
- g. We also need Precinct workers to help organize our 36 voting precincts.

We also have fun and camaraderie as we are working to save our Country. We recently had the Presidential Debate Party and got to know each other better, sharing snacks while watching President Trump win the debate.

My name is Elaine Kilgore- Chairman of the Fayette County Republican Party. I also double as a janitor, cleaning the bathrooms, kitchen, and parking lot. I also am the Party networker.... If you want to volunteer, email me at [elainekilgore@proton.me](mailto:elainekilgore@proton.me) or call me at 770-714-9737 and leave a voice mail. I need your name, telephone, email address, home address, and what you want to volunteer for or your special skill. I will put you in touch with the right person.

You might be saying – I am too busy or have some other circumstance that prevents you from volunteering. I have two alternatives for that. First, we need prayer for the Country, Party, and members. Also, The Fayette County Republican Party need funds..... we do not receive any money from your donations to the the National or State Republican Party. We are self-funded. You can donate money by computer on our website, or send in money to our PO Box 1059, Fayetteville, Ga 30214.

We support local candidates by maintaining our Event Center as a venue to highlight them. We also promote the Local Party and Conservative Values by buying printed materials to distribute.

There will not be a meeting on Saturday, July 6<sup>th</sup> as many people will be out of town. We hope to see you on our Saturday breakfast meeting on Saturday, August 3<sup>rd</sup>. You will see the Republican Party in the Peachtree City 4<sup>th</sup> of July Parade! We also are planning a Trump Train by car on September 21<sup>st</sup>. You can join us by decorating your car and driving in the Trump Train. We also are having a Rally that day after the Trump Train for you to hear and meet the Republican Candidates that are on the ballot this November.

Come join us. Our Members are the most important part of the FCRP. We are a team!

Sincerely,

Elaine Kilgore

Chairman of the Fayette County Republican Party and Janitor
