Old Business:

How is it going to I have access to see the balance in the Checking account, Zelle payments, and Rental Schedule? Since we have many increased rentals, security deposits to get back, etc: Rod needs increased access to these accounts. I would like to see this accomplished by May 1st. I will be glad to go to the bank if needed. With increased rentals there is increased responsibility. Has this been accomplished yet? If so great, if not what is our next step?

How is the Trump Train and Rally going?

How is the air-conditioning going?

New Business:

I recommend Nancy Holland as 1st Vice Chair. She has been promoting us on Facebook – private and public account and Instagram since last summer. She has been the intermediary with speakers since the Border Invasion Movie when she took the lead. She also has been procuring merchandise for us since this spring from the Danny who owns the Trump Bus. She is cooperative and works well with others. She has had experience in the Party before. She is willing to accept the position. I appreciate all her efforts, she has lightened my load of locating and scheduling speakers.

Task force for Accountability and Direction for Republican Candidates and Elected Officials : Randy Ognio, Cathy Vaught, Sherry Harris, Walt Hanley and myself. We will ask Republican Candidates to have a sit down with us to discuss what direction we would like that person to pursue.

Also, I would like the Party debit card to be used on GoDaddy. It presently is being paid by my credit card. I have no access to GoDaddy website and can not see when a payment is being demanded. Sheryl Fody used her credit card but she was able to pull up the back end. This is a party expense. It should not use my credit card.
