Executive Board Text Meeting Summary

March 23, 2023

Minutes from texted Executive Board Meeting held concerning a vote to agree on marketing the Event center and how long to have a trial run on advertising. It was initially proposed that the Executive Board run a “trial” advertisement for one month by placing it in the *Citizen News* which charges \$195.00 a month.

After some discussion about the need to extend the advertisement from one month to six months. Cathy Vaught moved that we extend the advertisement for six months, as did Elaine Kilgore, who seconded the motion. Sherry Harris also voted “yes” , but recommended that we hold off until the website is up.
