

## ATTENTION ALL PATRIOTS!

*By Tyrone K. Jones, Sr., Chairman*

The bitter battle for control of our nation's future is raging. The "Left-wing radicals/progressives/socialists" who comprise the so-called Democrat Party are "all in" and determined to defeat us in every political race at every governmental level across this country. Simply put: "THEY WANT POWER AND CONTROL! "

This is undoubtably and undeniably a fight that must be won by American Patriots (such as yourselves) in order to protect, defend, and preserve our Constitutional Republic. If we fail, prepare to surrender your rights and liberties to the progressive elites.

### **Here is the real deal, my friends:**

The democrat socialists and their wealthy progressive elite billionaire comrades are spending at record levels to support the campaigns of candidates who intend to fundamentally transform our country.

**WHAT DOES THIS MEAN?** It means we must all contribute to the efforts NOW! There is much to be done to elect candidates, starting with local elections, who will protect our conservative values.

With the support of progressive billionaires, THE DEMOCRAT PARTY IS WINNING THE FUNDING BATTLE. It is imperative that conservatives step-up and do all we can to support our Republican party.

### **HERE'S HOW YOU CAN HELP**

#### **Financial support:**

Your Fayette County Republican Party needs your financial support and WE NEED IT NOW! We are on the frontlines of this battle and your support in our efforts ensures we can stay in the fight to elect individuals who will work to protect the values of you and your family. I thank you in advance for your generous financial donation. Visit our website to contribute now!

**Volunteer:** Get into action by volunteering. When everyone pitches in a little, the work gets done easily. Visit our website to learn about the many volunteer opportunities and find your place!

HELP US KEEP OUT SOCIALISM AND KEEP AMERICA SAFE, STRONG, PROSPEROUS, AND THE GREATEST NATION ON EARTH!!!
