

# FAYETTE GOP MEMBERSHIP

The Fayette County Republican Party is organized to elect conservatives to public office at all levels of government. The Fayette Event Center serves as an operation center hosting events which allows our conservative community to be engaged at every level with candidate debates, campaign rallies, candidate phone banking, grass roots training, monthly membership meetings, and other fellowship gatherings. It takes many individuals giving their time, talent, and treasure to keep Fayette, our state, and our nation RED!
