To: Kingsville Community Leaders, Veterans, and Members of Kingsville Nonprofit Organizations

SUBJ: **SUPPORT FOR THE DICK MESSBARGER MEMORIAL COMBINED SERVICES BANQUET -
HOSTED BY THE KINGSVILLE NAVY LEAGUE**

Hello to all community leaders, veterans, and members of Kingsville's nonprofit organizations who have helped produce our outstanding reputation as a community that helps our neighbors in need. Thank you all for your past volunteerism and contributions to communities in need, and especially to local nonprofit organizations. Support of charitable organizations is vital to any community. If you have supported the Kingsville Navy League in the past, then we truly thank you for that support.

The Kingsville Navy League is re-introducing a special event of years past to boost membership and fundraising of our local nonprofit organizations and to provide an avenue for our local volunteer stakeholders to enjoy an evening of recognition and camaraderie with military service members in attendance.

DICK MESSBARGER MEMORIAL COMBINED SERVICES BANQUET

August 22, 2026 (6 -9 pm), Memorial Student Union Building - Ballroom A/B, Texas A&M University - Kingsville

This festive event will be proudly hosted by the Kingsville Navy League in support of active-duty Sailors and Marines attached to NAS Kingsville, Training Air Wing TWO, and USS Kingsville (LCS 36). Hopefully, with a little luck, Sailors attached to the USS Kingsville (homeported in San Diego, CA) will be able to return to Kingsville to attend this event and attend other "Homecoming" events during their Kingsville visit.

This celebration will recognize the outstanding culture of volunteerism within the greater Kingsville community and highlights of the evening will include a military Color Guard, a buffet dinner and drinks, a tribute to Dick Messbarger's legacy of volunteerism, guest speakers, volunteer award presentations, traditional toasts, and hopefully some live music.

You (+spouse/guest), or your organization, are respectfully invited to consider joining the members of the Kingsville Navy League at this special event and/or we invite you to donate as a sponsor of this event at any of the levels outlined below. Be advised, tables are limited and dependent on level of donation.

\$100 to \$999	Individual Sponsors. "Announcement of Gratitude and Thanks" at event.
\$1,000 to \$2,999	Organizational/Individual ONE-TABLE Sponsors (8 tickets per table included). Same as above plus organizational logo displayed at least twice at the event.
\$3,000 or greater	MARQUEE Sponsorship of TWO or THREE TABLES. Same as above except two or three tables (16 or 24 tickets), display of organizational logo on every table, and organizational logo displayed multiple times at the event. (Expected Attendance: 250 - 350, 8 per table)

Any contribution to the Kingsville Council of the Navy League is truly appreciated and will surely improve the quality of life and reduce the out-of-pocket expenses of our active-duty service members and their families. Thank you for your consideration. On behalf of our members, we hope to see you soon.

Very Respectfully, Brooke Spitzer (President, Kingsville Navy League)
