

Summary: Working exclusively with a privately held R&D company in healthcare with multiple locations nationally and abroad for a Senior Accountant. The current employee is getting ready to retire and we are excited to be part of this search process. Our client is looking for somebody who is a true Senior Accountant, enjoys a life/work balance while staying challenged firm wide with multiple entities.

The ideal candidate will have substantial exposure to monthly closing processes, forecasting and budgeting, and customer billing. They will be organized and approach each issue with an analytical mindset.

This position reports to the Senior Finance Manager in San Francisco as well as the HQ (CFO) which is in Japan. We need somebody who can communicate effectively with staff level, consultants, and senior management teams firm wide.

Location: San Francisco - Bay area. This is a Hybrid role, you will be expected to be onsite (Corporate) 10 days a month.

Ideal candidate: The ideal candidate will be a U.S. citizen; we will possibly consider somebody with an active green card.

Base Salary: 125K - 140K (DOE)

Bonus: 20% of base salary (Guaranteed)

Responsibilities

- Ensure business transactions are reported in accordance with generally accepted accounting principles
- Proven track record working with multiple entities / locations nationally and abroad.
- Work closely with team members to assist with the month-end close
- Assist with the annual audit process including the draft of the financial statements and related notes
- Research and analyze expense variances for company management

Qualifications

- 7+ years of professional accounting experience. Need to show competence and longevity working with an employer as well as with multiple entities.
- We're looking for a solid Senior Accountant, somebody who can participate throughout the entire month-end close cycle with multiple entities.
- Bachelor's degree in accounting, Finance, or Economics highly preferred.
- CPA preferred. We will consider candidates who have a proven track record working with multiple entities nationally and abroad throughout the entire month-end closing cycle.
