

Meet Dr. Nathan Cain

Dr. Cain specializes in Prosthetic Dentistry. As a board certified Prosthodontist, Dr. Cain can provide advanced and complex restorative & rehabilitative treatment options involving crowns, bridges, veneers, dentures and dental implants.

Originally from Ontario, Dr. Nathan Cain has been practicing prosthodontics in Vancouver since 2017. After obtaining his Doctorate in Dental Surgery from New York University, Dr. Cain went on to specialize in prosthetic dentistry. Dr. Cain obtained his Certificate in Prosthodontics at Montefiore Medical Center in the Bronx, New York, where he gained extensive knowledge in implant dentistry, digital dentistry and digital impressions, and treatment of complex dental needs. He is certified by the Royal College of Dentists of Canada as a Specialist in Prosthodontics.

Dr. Cain is passionate about dental education and holds a part-time position at The University of British Columbia where he teaches once a week. He is also active in the dental community, participating in several dental study groups and participates in teaching local dentists about dental implants and digital dentistry.

In his spare time, Dr. Cain enjoys spending time with family and friends. A frequent visitor to Vancouver Island, Dr. Cain loves to go camping and staying active. He has recently taken up surfing and as a creative outlet makes his own surfboards!

Dr Cain is pleased to be joining Dr James in Lethbridge! He will be off-setting Dr James in opposite weeks every month.
