Cleanse

Cleansing is key to keeping skin healthy. Cleanse at least once a day to remove dirt, makeup and perspiration.

Pomegranate Antioxidant Cleanser

Mature and dry skin. Pomegranate Antioxidant Cleanser is a moderately rich cream-based cleanser that is infused with a wide array of antioxidants, nutritional elements, and oils to restore and protect the skin.

- Soothes skin irritation
- Provides calming benefits
- Reduces the appearance of redness
- Assists in boosting hydration levels
- Enhances cellular turnover

Green Tea Citrus Cleanser

Normal, combination, acneic skin. Safe for rosacea and sensitive skin. Green Tea Citrus Cleanser is a foamy, gentle cleanser for environmentally challenged skin. It works well to remove makeup and protects the skin from cellular damage while improving clarity and tone.

- Clarifies and soothes
- Supports skin immune functions
- Maintains healthy cell function

Honey Brightening Cleanser

Normal, combination, hyperpigmentation, mild acne. Honey Brightening Cleanser is designed to illuminate the skin, tackle hyperpigmentation, fortify the skin barrier, and boost cellular turnover. Instilled with mandelic and lactic acid, it delicately exfoliates, offering antibacterial, hydrating, and brightening advantages. Harnessing the power of Black BeeOme™ and Arizona mesquite honey, it works to replenish the skin's microflora and reinforce the skin barrier. This luxurious cleanser effectively addresses various skin concerns without depleting essential moisture, promoting clarity, and enhancing overall skin tone.

CLEANSE

Charcoal Clay Cleanser

Normal to oily skin. Charcoal Clay Cleanser is infused with charcoal and kaolin clay to absorb environmental toxins. Kaolin clay absorbs sebum, removes impurities, and helps prevent clogged pores.

- Provides deep cleansing
- Reduces oil
- Detoxifying and purifying

Glycolic Cleanser

Normal, aging, sun-damaged, oily or acneic skin. Glycolic Cleanser is a foamy cleanser infused with a combination of alpha hydroxy acids. It renews the skin by removing the uppermost layer of dead skin cells to reveal a bright, smooth skin surface.

- Refines and renews skin
- Lessens the appearance of wrinkles
- Brightens and invigorates skin
- Lessens the appearance of acne scars
- Enhances cellular turnover

Raspberry Refining Cleanser

Oily and/or acneic skin. Raspberry Refining Cleanser is a unique foamy cleanser that rebalances and improves skin texture while its active ingredients purify and restore vitality to the skin.

- Clarifies and exfoliates
- Reduces oil and debris
- Lessens future breakouts
- Improves skin function

Exfoliate

Exfoliating removes surface dead skin so products can penetrate and, in the case of acne, keep pores clear. For skin brightening, the Glycolic and Retinol pads work exceptionally well to deliver the natural lighteners kojic and arbutin while gently exfoliating the skin.

Retinol 2% Exfoliating Scrub/Mask

All skin types. This Retinol 2% Exfoliating Scrub/Mask is a powerful cellular turnover scrub with Retinol (Vitamin A) and jojoba beads to clean, soothe and polish the skin. It encourages the breakup of blackheads and clogged pores, jojoba beads gently exfoliate dead skin cells while kojic lightens age spots and scars left from blemishes.

Raspberry Refining Scrub

All skin types. Polish and energize the skin with the antioxidants raspberry and marionberry which will brighten skin and provide anti-inflammatory-like benefits to soothe skin irritations. Jojoba beads and blue corn meal gently exfoliate to remove surface build-up provides physical exfoliation while exfoliating and lightening ingredients work in tandem to promote a clear, healthy skin tone.

Beta-Carotene/Papain Renewal Serum

Sensitive skin. This Beta-Carotene/Papain Renewal Serum is a precursor to Vitamin A and papain will digest dead surface buildup; this serum will provide mild exfoliation and improve skin barrier for the most sensitive skin. It is an excellent exfoliant for pregnant women because of its natural ingredients.

EXFOLIATE

Glycolic and Retinol Pads

All skin types. The Glycolic and Retinol Pads are designed to gently and progressively renew the skin to provide brightening, clarifying, and restoring benefits to all skin types in need of perfecting. They break up surface oil to refine pores and reveal fresh, healthy skin. Kojic and arbutin lighten sun spots and hyperpigmentation left from blemishes.

These pads contain glycolic acid and retinol which gives the formula its yellow color, visible upon opening.

Clarifying Toner Pads

Normal to oily, acneic skin. The Clarifying Toner Pads use purifying active ingredients to relieve breakouts while improving the clarity and quality of the skin. They assist the Raspberry Refining Cleanser in cellular turnover bringing oil and debris to the surface of the skin - the salicylic dries the uplifted oil while tea tree calms and soothes the skin.

Tone

Toners rehydrate the skin and balance surface lipids after cleansing and exfoliating. They set the stage for treatment serums to be readily accepted into the skin.

Cucumber Hydration Toner

All skin types. This Cucumber Hydration Toner stays on the skin to hydrate and soothe on a daily basis. It plumps and delivers moisture to the skin as essential fatty acids calm the skin.

Mint Refining Toner

Normal to oily skin. This toner contains BioFense, a probiotic to normalize skin flora, reduce redness and minimize pores. This probiotic provides anti-microbial support, helps regulate the immune system and enhance the skin's barrier. DisaPore 20 and lemongrass act as natural astringents to tighten pores for smooth, refreshed skin.

Treat

Serums represent the treatment portion of your skin regimen. They are thinner products with lower pHs to penetrate deeper into the skin to affect change.

Citrus-C Nourishing Cream with Citrustem™

Normal, dry, and sensitive skin. This robust creamy Vitamin C is hydrating and gentle. The 5% Vitamin C is a stable oil-soluble form of Vitamin C that offers UV protection, assists with skin lightening, and improves collagen synthesis. The 2% Citrustem™ originates from orange stem cells and will help densify the dermis by improving the extracellular matrix. White and green tea complexes improve skin immunity and help repair damaged tissues. Stable antioxidants inhibit melanogenesis to reduce pigmentation.

Vitamin C Green Tea Serum

All skin types. Vitamin C Green Tea Serum restores and revitalizes the skin with antioxidants and peptides. It nourishes and supplements the skin with moisture and vitamins for ultimate results.

Ageless Skin Hydrating Serum

All skin types. Ageless Skin Hydrating Serum restores moisture to maintain skin barrier function, improve hydration, lessen the appearance of wrinkles, improve the health of cell membranes, and plump the skin. This sophisticated serum contains the peptides Matrixyl Synthe' 6, DN-AGE, and Lipomoist. Essential for dehydrated, dry, acneic, and milia-prone skin.

Mandelic Brightening Serum

All skin types. Mandelic Brightening Serum lifts pigmentation, exfoliates, and helps to reduce the appearance of pores. This dynamic serum contains BioFense and Dendriclear™ to support the microbiome of the skin, to reduce sensitivity, and enhance barrier function. Niacinamide provides anti-inflammatory support as well as increases cellular energy. Azeloglicina® normalizes sebum and brightens the skin for a more balanced complexion.

Advanced Renewal Serum

All skin types. This ultimate anti-aging serum reduces fine lines and wrinkles. It promotes a general overall smoothness and evenness of skin tone. IconicA® was developed with the cornerstone and most future-forward Retinoid technology available, the patented stabilized Retinaldehyde. It performs closest to Retinoic Acid pharmaceutical-grade products, without a prescription. It provides actives that brighten and works to help ward off free-radical exposure as a critical anti-oxidant, vastly improving the complexion of the skin.

Peptide Eye Serum

All skin types. The Peptide Eye Serum opens the eye zone for a refreshed, youthful appearance. It reduces the appearance of discolorations, reduces the appearance of wrinkles, stimulates circulation, and improves tissue strength while encouraging healthy cellular skin functions.

Tri-Peptide Eye Cream

Dry skin. The Tri-Peptide Eye Cream opens the eye zone for a refreshed, youthful appearance. It softens skin and firms the eye area, stimulates circulation and improves tissue strength while encouraging healthy cellular skin functions. This squalane based product contains three peptides designed to stimulate the skin's natural mechanism to produce collagen and reduce the appearance of expression wrinkles.

Blemish Spot Treatment

Acneic skin. 5% glycolic acid and 1% salicylic acid quickly address and shorten the life cycle of blemishes. Soothes skin irritation, has anti-inflammatory-like properties, clarifies breakouts, assists in boosting hydration levels and helps limit scarring.

Moisturize

Moisturizers seal in serums but also hydrate and protect at the surface of our skin. It is essential that all skin types use moisturizers, even oily skin, to feed our acid mantle and give nourishment to that delicate eco-system at the surface of our skin. If we neglect to use moisturizers, our skin may become sensitive and reddened due to an impaired barrier.

Light Aloe Moisturizer

Oily and acenic skin. Light Aloe Moisturizer normalizes and hydrates skin without leaving a heavy feel or film behind. Antioxidants and skin soothing agents in the moisturizer minimize irritation and environmental damage, resulting in clear, healthy skin.

- Encourages proper moisture levels
- Soothes and calms
- Normalizes water/oil balance
- Improves skin appearance

Ageless Skin Moisturizer

Normal/Combination skin. Ageless Skin Moisturizer will deliver a satin feel with a matte finish. Receive powerful hydration while protecting from environmental damage and surface signs of aging. This fundamental moisturizer includes the antioxidant-rich AD-RESYL®, obtained from Ophiopogon Japonicus Root Extract, which may help to soothe and reduce the appearance of skin irritations.

Cacteen Balancing Moisturizer

Normal, combination, and sensitive skin. This moisturizer will balance surface lipids and water with the healing properties of Prickly Pear cactus and humectants like Sodium PCA. Bisabolol soothes irritated and sensitized skin.

- Normalizes water/oil balance
- Soothes and calms
