

# WELCOME BACK

Our “soft” re-opening has begun

New store hours ..... Monday to Saturday 10-5

## LIMITED ENTRY:

Due to the size of our store, we are limited to and can only allow 5 customers at a time. We ask that you please limit your stay to 15 minutes to accommodate any customers that may be waiting outside to shop.

## MASKS & HAND SANTIZER:

In accordance to RI guidelines, you must wear a mask covering your nose and mouth upon entry. Hand sanitizer for your hands/gloves will also be required and will be available at the door.

## CURBSIDE PICKUPS & ORDERS:

Curbside pickup is still available and will be serviced from our “new” curbside window! Either **Email** your order to [ordersNGRI@gmail.com](mailto:ordersNGRI@gmail.com) ... (allowing two hours to compile) or **Phone** in your order (401-847-7480) during business hours and speak directly with a sales associate. PLEASE, don't leave orders on our voicemail! Also, greeting you at your car to take your order will unfortunately have to be eliminated.

**Thank you so much for your patience during this trying and challenging time. Your safety (and the staff's safety) is our biggest concern as we transition into this next phase. Please know we are so excited to see you again, but at the same time, taking precautions.**
