Prayer Request: _____

Objective:

During April 4th – April 9th, the Body of believers at Transformation Church & Ministries (TCM) will grow closer to God through corporate/directed prayers, fasting, seeking God, and disciplining of the soul. Participants are encouraged to feed their souls with the word and ways of God while abstaining from all influences that prohibit God’s spirit from fully guiding our lives.

Fasting: This time of fasting will require us to maintain a mindset of prayer and total submission to God while reflecting on the daily prayer topic and scriptures provided daily.

Consecration: Participants are encouraged to drink water and withdraw from the following items in addition to any other activities the Lord may bring to attention:

1. Ungodly Thinking & Actions
2. Ungodly Conversations
3. Ungodly Music, Television, Books, Internet, and Cell Phone usage.

It is vital to spend time in God's word and presence each day of the concertation. The goal is to seek God and listen with open hearts to what He has to say to us. Feel free to keep a notepad handy to jot down what God speaks to your heart and mind during this time as we are sure it will be life changing.

Individual Prayer:

Participants are encouraged to pray during the following hours:

1. 6am
2. 12pm
3. 6pm

Please note you are not limited to the hours mentioned above. Corporate Prayer: Corporate prayer will take place via Zoom <https://us02web.zoom.us/j/85317711156> daily at **12noon** and on **Wednesdays at 7pm**. You can also connect via phone during the aforementioned times **Phone: 301-715-8592 Code:85317711156#**. Families are encouraged to pray together through the week at home.
