The **CARES (Community Alliance for Restorative, Educational, and Social) Justice Institute, Inc.** is an organized racial equity organism established and mobilized to campaign in an effort to bring healing, opportunity and hope for every born people group; one city, one neighborhood, one family, one citizen at a time; from generation to generation; advocating against the “acts” of unfair practices, policies, and any demonstrations of civil rights violations, social and economic injustices, the criminal justice system, and racism against Blacks [Every Black Life Matters (EBLM)], minorities and other people of color. CARES will champion exemplifying synergy and a pattern that proves, “We Are **GREATER TOGETHER!**”
