

ENHANCE YOUR APPRECIATION FOR THE APOSTLE PAUL

THE CHOSEN SERIES focuses on Jesus as he draws together followers like Simon, Andrew, Mary Magdalene, Matthew, and others who find him so compelling. These guides, based on *The Chosen* and Scripture passages, will give you and your group a great appreciation of their unexpected changes of fortune in getting to know him.

To help with colorfully marking up passages in the guide, get a four-color BIC pen.

THE BIBLE SERIES combines other films with studies from the Old and New Testaments.

The Paul Study, as an example, is written in a similar way to *The Chosen Study*. It provides a means to WATCH > DISCOVER > RELATE Affirm Film's 2018 movie entitled *Paul: Apostle of Christ*. Paul's colleague, Luke, finds him in a Roman prison. Together they take on Nero's madness in love and work to document Paul's ministry. See: JesusStudy.org
