PUBLIC HEARING MINUTES

MAYOR AND BOARD OF ALDERMAN
TOWN OF BENTON

105 SIBLEY STREET, BENTON, BOSSIER PARISH, LOUISIANA
MONDAY, MARCH 10, 2025, 6:30 PM

The Town of Benton Council met in a regular legal session on the 10th day of March 2025, at 6:30 p.m. in the Benton Council Chambers, Benton Town Hall, 105 Sibley Street, Benton, Louisiana. Mayor James Friday called the Public Hearing to order. Stephanie Collier called the roll with all members as follows:

Alderman Jackie Carr	ABSENT
Alderman Tiffany Manning	PRESENT
Alderman Tammy Brunson	PRESENT
Alderman Arshundae Perry	PRESENT
Alderman Terry Lawrence	PRESENT

Alderman Perry gave the invocation, and Alderman Lawrence led the pledge. Attorney Erwin, Stephanie Collier, Debbie Rios, Officers Mora and Weaver, and several members of the public were also present.

LOST RIVER ESTATES – SPEED BUMPS

Mayor Friday stated that we have several members from Lost River to speak. Mr. Jim Broughton at 419 North Lost River Estates spoke about the problem with underage children exceeding the speed limit on four-wheelers and golf carts. He mentioned that Jeff Foshiee installed speed bumps. Chase Crow 423 North Lost River. He is in favor of the speed bumps and feels they help when the children are at the bus stop. He feels that Mr. Foshiee acted to protect the children, and someone has removed them and doesn't feel they have the right to remove them. Mayor Friday stated that the streets belong to the Town, and the first issue we have is that the speed bumps were installed on town-owned streets without notifying the town. The second issue is someone has removed a few of them which have left holes in the street. I am all for kids playing in the streets, but when it becomes a safety issue, it needs to be addressed. Also, in many situations, the people who do most of the speeding are the people who live in the neighborhood. I spoke with other municipalities who

have similar issues, and they placed motorcycle officers where it is hard to see them, which allows them to catch the speeders. The State has a law that prohibits unlicensed drivers from operating golf carts and four-wheelers on the streets. Mr. Foshiee, developer and President of the Homeowner Association, requested to speak. Mr. Foshiee stated that he apologized for installing the speed bumps and that he spontaneously acted on the increasing concerns for the safety of the children in the neighborhood. He stated that a resident of Lost River put out a survey and that 61% of people who responded agreed that there is a speeding problem. He asked that if we can prove to you that people agree, will the town agree to accept those speed bumps. I can't enforce anything on the person who removed two of them, but the town can. Mayor Friday agreed that if the majority of residents agree, then we will make a move forward accordingly. Alderman Manning asked for clarity on Mr. Foshiee's consensus, and 61% were in favor. Mr. Foshiee stated that yes according to the information we have gathered so far. Alderman Manning, is this part of their covenants, or is this something we make a Resolution for? Mayor Friday stated that the final decision would come to the town. A member of the public asked if there is something the town or Parish can do about the unlicensed drivers on golf carts and or four-wheelers. Mayor Friday stated that we can work with the HOA on putting something together, such as possibly posting signs prohibiting unlicensed drivers from operating on the streets. Attorney Erwin recited the state law. Alderman Manning asked about the consensus, and Mayor Friday stated that it would need to provide the name and address of each person who participated.

Mayor Friday called for any other questions: None were made

Consider approval of month-to-date budgets and financials:

Alderman Manning asked about why the financials started at number 40? Stephanie Collier stated that it was a mistake when making the copies. She also asked about a retirement refund, and Stephanie Collier responded. She also asked about the amount of fuel purchases. Stephanie explained that the codes next to the dollar amounts show what departments those purchases belong to. She also asked why the bill from 2024 to January 2025 was being paid so late. Stephanie stated it could be just how their billing cycle falls. She asked about Digital Ally and whether it is monthly or annual. Cesar Mora stated he wasn't sure. Stephanie stated it is an annual subscription.
