

YOUR CAPITAL EXPERIENCE AWAITS!

Get ready to explore one of the most iconic and inspirational cities in the United States. We will be heading to Washington, D.C. for three nights of fun in September of 2026!

It's sure to be a special trip, because 2026 marks our nation's 250th birthday. Whether you're a history buff, art lover, foodie or adventurer, our capital has something unforgettable for you.

We will be staying at the iconic Hotel Washington, positioned at the edge of the White House lawn. It's the perfect starting point for you to wander the majestic National Mall, where you can stand in the shadow of the Lincoln Memorial and gaze up at the Washington Monument before you dive into world-class exhibits at the Smithsonian museums — all for free.

Perhaps you'll choose to step into the heart of democracy at the U.S. Capitol and White House. Craving charm? Wander the cobblestone streets of Georgetown or Capitol Hill, where every corner café and historic townhouse has local flair and a tale to tell.

With vibrant culture, lush green parks, fascinating landmarks and rich history around every corner, D.C. is more than a destination — it's an experience. Come feel the pulse of America in a city that honors its past while pressing full-steam ahead into the future.
