--------------------------	----------------

A family discount of 10% is available for the lowest tuition paid for families with multiple children enrolled.

****All tuition includes weekly private piano lessons for children 3 years old and up.** These lessons are held on-site and occur during your child's regular day.

Tuition is paid on a weekly basis and is due every Sunday. There is no reduction in tuition for months including major holidays, vacation (except Christmas break) or emergency closings. We do not substitute days for sick days, vacation days or other days a child may miss.

Families wishing to hold a place in a future class at MDS may place a tuition deposit. Tuition deposits are non-refundable but are applied to your child's tuition when they attend MDS. If your family chooses not to attend MDS after making a tuition deposit, the tuition deposit is forfeited.
