**Return Policy:** In general all sales are final. All returns/replacements require a Return Merchandise Authorization (RMA). To request an RMA, please contact customer service. (See below)

**Replacement/Credit:** You may request a replacement or credit for your purchase within 3 days of the received date for either of the following reasons:

1. We sent the wrong item and the seal is not broken.
2. The item received was defective or damaged in transit.
3. There was a shortage in shipment.

**All damages and/or shortages must be reported within 3 business days.**

**Returns:** You may return your surgery equipment in its unopened, original condition for a credit less 25% restocking fee within 14 days of the order ship date. If after 14 days you discover that the item is defective after the package is opened, we will send you a replacement; please see Replacement above. Credit less 25% restocking fee will be on the item purchase price, excluding shipping and handling.

**RMA is required for all returns, credits, or exchanges.** We will not accept requests for a Return Merchandise Authorization (RMA) for any reason other than those listed above. To request an RMA, please contact customer service via email, website, and/or phone.
