

Capability Statement

Charles Martin & Habiba Nourain – CEO and Co-Founder

COMPANY OVERVIEW

Get It Done Help, LLP is a certified professional full-service relocation company offering local and long-distance relocation services to commercial customers and government agencies with an emphasis on quality and customer satisfaction. We care about the safety of your belongings as much as you do.

CORE COMPETENCIES

- Residential Relocation
- Commercial Relocation
- Reconfiguration of cubicles and organization of workstations for businesses
- Professional packing and/or unpacking
- Loading and/or unloading heavy equipment and/or belongings
- Transportation of goods and materials
- Furniture Delivery
- Assembly/ Disassembly
- Office and business cleaning services

DIFFERENTIATOR

We aim to exceed expectations by implementing industry standard practices by taking measures to ensure belongings are prepped and packed accordingly, securely loaded on the truck, transported safely and unloaded into its destination. Our project management services include an integrated program to meet any agency needs with 24/7 communication with team leads and post relocation audits prior to billing.
