CALL FOR SUBMISSION- THE GIFT OF YOUR WWW STORY

“Who is wise and understanding among you? Let them show it by their good life, by deeds done in the humility that comes from wisdom.” -James 3:13

Here at The Wise Woman Within, we believe that the wisest women around are those heroes daily seeking the Lord, proclaiming truth, caring for the hearts of their loved ones, serving the underserved, praying, and going about their tasks with diligence and often without applause, though their impact is great.

We want this page to be a place of noticing and gaining knowledge from such women. By humbly offering up our stories of growth, and in openness about where we have been and what we still have to learn, others benefit and find healing. In knowing others, I come to know myself and my creator in a new way and I come to realize, *I'm not alone on this journey*. In fact, my place and my life is significant, and my reach, great.

The Gift of Your Wise Woman Within (WWW) Story Submission Requirements:

- Should be a narratively driven personal account discussing the practical ways that God showed up during a particular instance or season, and what you learned through the experience. What was the point at which you gained wisdom and what was the result?
- Often wisdom grows following the death of pride, greed, ego, or some other sin; when we come to the end of ourselves and must trust solely in the Lord. If this is true of your story, feel free to share.
- Email your submission to Jessica.wrasman@gmail.com and jeansbarnes@yahoo.com. Upon submitting your story, you are kindly giving us permission to edit and use your work on our sites. We will send you a copyedited version of your submission for your approval prior to posting your work.
