

Joshua 1:9 Learning Center Uniforms

Our uniforms for all students will consist of polo shirts, pants, shorts, skirts, skorts, polo dresses, and jogger pants (not sweatpants), and our red school spirit t-shirt. We are an action-based learning school, so we want our kids to be comfortable and able to move.

Here are a few guidelines to help you while shopping:

- The kind of material is not an issue, just as long as all items are solid colored with no design or labeling on the front of them.
- All polo shirts and polo dresses must be either red, black, or white in color. We will still wear our red school spirit t-shirt on Spirit Days and Field Trips.
- The style of all bottoms for both girls and boys does not matter (such as: pleated, not pleated, pockets, no pockets), but they must be either black or khaki in color (no white). Please make sure all skirts, shorts, dresses and skorts are no shorter than 3 inches above knee.
- Our main goal is that everyone has on khaki, black, white, and red as our primary colors. Do not buy navy colored items.

Below are various websites and stores to look at for uniforms:

Additionally, you may also shop at resale shops, thrift stores, and second-hand stores for your child's uniform. If you decide to buy resale, then the items need to be in good condition without tears/holes or fading from over-washing.

We will have casual Fridays and will still wear our red school spirit t-shirt on Field Trips and Spirit Days.

Our updated Parent & Student Handbook will be available on our website (www.joshua19LC.org) at the beginning of June 2023 with our uniform policy.
