

Wirksworth 3 Minute Film Festival

“I think that short films often contain an originality, a creative freedom, an energy and an invention that is inspiring and entertaining. I think they are, as Shakespeare put it, a good deed in a naughty world.”

Kenneth Branagh

Many thanks for visiting the first Wirksworth 3 Minute Film Festival. Part of my philosophy in starting this film festival was to encourage the filmmakers of the future and give them the opportunity to screen their films.

This year the number of submissions exceeded even my estimations, in total we have received and will screen over 160 films from over 40 countries from around the world.

By offering filmmakers under the age of 18 and between the ages of 18 to 25 free entry, I’m pleased that almost 50 percent of the films screened will be from these categories.

I’m very pleased that in this first year we can offer 4 differing venues to screen the films, each location offers a different audience experience, many thanks to these venues for their co-operation.

Many thanks to the partners of the Film Festival, without their co-operation we would not have a festival at all.

With thanks to The Wirksworth Festival, The Northern Light Cinema, The Wirksworth Heritage Centre, The Feather Star, Town Hall Events, The Royal Oak, Blazing Minds, Ink Tip, Scapetunes and Ipitch.tv.
