

Pastor's Notes

Wow! What a wild and wonderful month of February we just had! I can't wait to recap some of the incredible events that took place this past month. **February 2nd**, we had "The Miracles" singing group in concert here. They were an absolute blessing. I am grateful for the generosity you showed by the love offering you gave that ministry. **February 9th** - we had a recognition service and potluck for Lisa Gunn who retired as our church secretary after almost 18 years. It was great to have her, and her family join us for that special day. **February 10th**, we started sponsoring the sausage and biscuits for the National Field Trial Championships. Each morning Bobby Hanna and Ronnie Wyatt manned the kitchen to deliver delicious biscuits to the field trial participants, guests, and Ames Plantation staff. It was a good time to see familiar faces and to make some new contacts. They delivered biscuits from February 10th through February 21st. **February 16th**, the church body was treated to a delicious assortment of pancakes, bacon, sausage, and fruit before the Sunday School hour. Everyone seemed to enjoy the breakfast and the fellowship. **February 23rd**, we had our Worship/Fellowship Service with a spaghetti dinner and all the trimmings. We had over 40 people attend that evening. The whole month of February on Sunday nights, we have been watching the DVD series "Before Amen" by Max Lucado. We would watch the DVD and then enter into a time of discussion. The video content was great, but the discussion times were so interesting and enlightening. Several people commented on how much they enjoyed that series. We only have one more event left in this month and it is the Couples Date Night set for **February 28th**. We are excited to have 17 couples signed up to enjoy this wonderful evening. I will be sure to share about that evening in the next newsletter.

So, we are marching into the month of March. **March 8th** - our very own Mark and Becky Downen will be sharing in the evening service about their recent trip to Israel. We look forward to hearing about the sights and sounds of the Holy Land. **March 14th** - We have set aside this Saturday for a clean-up day in Grand Junction. We will be picking up trash on the sides of Highway 368 to help make Grand Junction a nicer

looking place to call home. **March 22nd** - we will have another Worship/Fellowship service. We have not decided on the menu yet but whatever it is, it is bound to be good! **March 28th** - We are hosting a movie night at the La Grange Civic Center at 5 p.m. We will be serving hot dogs, popcorn, cokes, and bottled water. We will be watching the movie "Overcomer". If you have not seen this movie you will not want to miss it. **March 29th** - We will have our first 5th Sunday Singing of the year, so all of you singers get your voices ready for a wonderful night of worship. Looking forward to a Magnificent March!

God bless you,
Bro. Troy

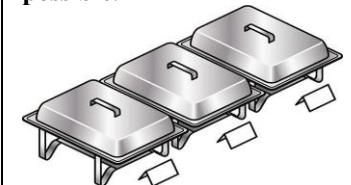

Clean-Up Day

Saturday – March 14th
9:00 a.m. – 11:30 a.m.

Borrowed Chaffing Sets (2)

Please return as soon as possible.
