

Pastor's Notes

I think that I would refer to the month of July as the calm after the storm of activity in June. I know my family enjoyed the opportunity to take some time to relax and renew on vacation. There were not as many activities this month but there has still been a lot going on. We have several of our committees that have been meeting and working very diligently. Our History committee has been hard at work gathering historical documents and pictures. Our Long Range Planning Committee had several meetings and are continuing to seek guidance for the future plans of our church. The Church Pictorial Directory committee is busy trying to finish up our new Church Directory. This is obviously a busy time for our Nominating Committee as they seek to enlist teachers, officers, and committee members for the various ministry opportunities in our church. I appreciate not only that committee's hard work on this task but I am grateful to each member who has been willing to commit to serve in this upcoming church year.

July 7th - we enjoyed our patriotic themed service during our morning worship. We displayed our new Veteran's Board that lists those who have served in the military both from our church and our community. I want to personally thank Earl Smith for overseeing this project.

July 28th - We had our Hot Dog Fellowship Service. We were blessed to see a great crowd there and enjoy some good food while we worshipped together.

It's back! That's right we will have another HAM's project! We will be "*Plarning*" again on **August 10th** at 9:00 a.m. I would encourage you to come and join us for a fun time that benefits a worthwhile mission.

August 18th - we will be observing the Lord's Supper during our Morning Worship service. I hope that you will be able to attend this special service in our church.

A Few Final Thoughts:

Baby Bottle Challenge - Let me thank you ahead of time for your generosity with the Baby Bottle Challenge. We gave out all 50 bottles and we look forward to sending those back to Birth Choice so they can be used to help this wonderful ministry.

Prayer - Please pray for all the administrators, teachers, and students who are heading back to school! Prayer maybe out of the schools but that does not mean that we can't pray for the schools!

Coming Soon - There is a massive series of events planned for the month of September - so be sure to be here September 8th, 15th, 22nd and 29th or you will really miss out! More Details will be coming in the weeks ahead - but it is going to be awesome!!

God Bless you,
Bro. Troy

Moscow – LaGrange Elementary School

Clorox Wipes	Sharpies
Germ X	Dry Erase Markers (Expo)
Tissues	Post It Notes
Clear Presentation Binder Sleeves	
Colored Post-It Notes	Binders 1" and 1 ½"
