

Pastor's Notes

If you were unsure if it was summer yet, the latest round of temperatures has surely convinced you that it is now. Of course, here at FBCGJ, we know that summer is here as we have just wrapped up VBS for 2025. I want to thank every volunteer who helped with VBS this year. It would not be possible without your effort. I want to thank our VBS leader, Beth Hanna, who always does an excellent job leading our VBS. I also want to thank those who took the time to pray for our VBS. We needed and appreciated those prayers! So, before we look at what is coming up in July, let's take a quick look back at a busy June.

June 1st - We had a potluck fellowship to honor and, unfortunately, say goodbye to Allan and Becky Houston. This church has been blessed beyond measure by their dedication and faithfulness to our church for over 40 years. We pray wonderful blessings upon them as they head to North Carolina. They will be greatly missed!

June 5th - The Adult Ministry group went to Southern Girls Restaurant in Moscow, TN, to enjoy some good food and a great time of fellowship.

June 8th - I want to thank Bobby Hannah for filling in for me while my family was away on vacation. I also want to thank Jim Cook for leading the music so that Bobby was not responsible for both leading the singing and preaching.

June 15th - We celebrated Father's Day during our morning worship service. Each man in our church received a small gift as a token of our love for them.

June 22nd -25th - Our church held VBS from 11 AM to 1:15 PM. Our theme this year was "*Miracles of the Master*".

June 29th - We enjoyed a wonderful night of praise and worship with 5th Sunday Singing. Thank you to everyone who participated in making that such a great night.

Let me mention our main event that is coming up in July. On **July 17th**, we will be traveling to Decatur, Alabama, to do a one-day mission trip at Love Packages. We will leave early on the 17th, travel down, work at Love Packages, and then return home late that afternoon. I have desired that our church would go three times a year to Love Packages. Once in the fall, once in the spring, and once in the summer. We went back in October of 2024 and in April of 2025. I cannot encourage you enough to come and be a part of this trip. It will impact your life significantly. Please pray about coming along with us on July 17th.

I pray God's blessings upon you,

Bro. Troy

The family of Carolyn Moss would like to thank the Church for the wonderful meal that was served to us after her home going service. Those who were not familiar with our Church were very impressed with this act of kindness. Beth and those who helped with the meal deserve a big thank you for their graciousness to those who attended.
