120 VAC is required.

3 Mode Options:

- Pay & Display
- Pay-By-Space
- Pay By License

SOFTWARE FEES: Select 5-year or 3-year Term to determine monthly fee and transaction fee.

UPGRADE OPTIONS (please see prices in order section)

- MODEM SYSTEM: CAT4 LTE-NA Industrial Modem with vandal-proof antenna; configure as the primary or as the backup to an Ethernet connection; AT&T must work at the machine location. (Note: 1 Modem is required per machine unless all units are connected via Ethernet; a fee of $40/month per Modem shall apply) [#MOD-310]

P-123 PHONE APP PAYMENT (w/ SPM PURCHASE): Allow Parkers to pay for parking on their phone rather than at the machine. This is a one-time setup & signage fee – Parking BOXX will provide PDFs of customized signs for you to print at your local sign shop. Additionally, fees of $49 per month plus $0.35 per transaction shall apply. (Note: the $49/mo is per Zone, and P-123 works only with Pay By Space or Pay By License, not with Pay & Display) [#SSS-550]

P-123 PHONE APP VALIDATION: Validate Parkers via any browser from any device. This is a one-time setup fee. Additionally, a fee of $25 per month for up to 5 validation accounts shall apply. (Note: P-123 works only with Pay By Space or Pay By License, not with Pay & Display) [#SSS-552]
