Specialized Topics for More Focused Sessions

Individualized support & diving into the details of YOU & your business!

Each month we meet to integrate the concepts from the group calls into your personal and professional life. I have designed Monthly Focus Sessions (outlined below) that can be followed systematically OR they can be tailored to meet your immediate needs or the needs of your business. Let's discuss this together and make a plan that suits you!

April- Establishing Personal and Professional Targets

May- Defining Success & Creating Personal and Professional Budgets

June- Creating a Personalized Exit Strategy

July- Reviewing and Creating Usable Budgets

August- Implementing a Mission and the power of NO!

September- Working with Product, Placement, Position and Pricing

October- ENTREPRENEURIAL SELF CARE

November- Understanding Entrepreneurial Time

December- Learning to Ask the Right Questions

January- Developing a Routine, Designing your lifestyle

February- Creating Your Culture of Gratitude

March- Creating Systems that keep you connected to your Absolute Potential

CREATE. INTEGRITY. BE INSPIRED. GET ALIGNED. TRANSFORM. THRIVE!
