

APPLICANT LIVE SCAN Fingerprint Services Locations and Hours of Operation

Below is a listing where Live Scan fingerprinting services are available to the public. This list is updated as additional information is received. However, applicants are encouraged to contact the Live Scan providers in advance to verify their current operating hours, fees, etc.

IMPORTANT PLEASE READ:

- Government fees are required for the State (DOJ) and Federal (FBI) level criminal history record checks. Additional fees may also be required (e.g., license or certification fees).
- Locations identified by "BNR" (Billing Number Required) provide live scan services only to applicants with agency billing numbers identified on their Live Scan forms. These sites may collect rolling fees only – they do not collect any other fees.
- Rolling fees vary from location to location and cover only the operator's cost for rolling the fingerprint images.
- Applicants must present valid photo identification to the Live Scan Operator. Expired identification cards will not be accepted.

If your Agency/Business would like to be listed on the Attorney General's Website listing of Public Applicant Live Scan Sites, please complete [this form](#) and follow its instructions for returning to us.

NOTE: Not all Live Scan Locations are displayed on this Map. For a complete list of Live Scan Locations please see the [list](#) below which is organized by County.
