BBQ BASH FOOD VENDORS

** Revised 3/1/21 **

We look forward to a great weekend at our new venue, and look forward to welcoming you to Stonewall Resort State Park. If you need anything, please let us know ... we'll do our best to make your brief visit with us a pleasant, and profitable one! Here's a few handy tidbits and a basic schedule. See you in June!

COVID 19: Vendors are required to follow all State and Local Health Dept. guidelines in place at the time of the event. Failure to do so will result in the vendor being removed from the event with loss of all fees paid, and will not be invited to a future event. While we hope restrictions will be more relaxed in June, we must adhere to whatever guidelines are in place for the safety of you and our customers.

LOCATION: Stonewall Resort, 940 Resort Drive, Roanoke, WV 26447 (follow signs)

GATE PASS: We will mail one (1) complimentary Stonewall Resort Gate pass that you MUST have with you to waive their standard \$5.00 per car entry fee. Display on your dash or show the gate attendant – valid for entry/exit all weekend (one pass issued per team/vendor), but you may purchase others at the gate.

ARRIVAL / SET-UP:

Thursday, June 17th - 2:00 – 7:00 PM ONLY (unless prior arrangements are made).

Departure:

Vendors must completely clean and vacate their spots no later than 10:00 AM Sunday, June 20th. PLEASE clear your area "completely" disposing of all trash, etc. in appropriate containers. Dumpsters are located near the food vendor area – YOU need to place ALL trash in dumpsters before leaving the area.

MENU: You should ONLY sell what you/we agreed to and nothing more to be fair to fellow vendors.

***** Ash, Trash, Grease, & Gray Water:**

- ~ Ash & residue: Red half barrels, with grates, located throughout the area
Coals & ash must be placed ONLY in these marked containers. Do NOT dump coals (or grease) on the lawn/grass areas
- ~ Trash Containers: Event trash receptacles are located throughout the area – please dispose of your site’s trash appropriately (and completely upon exit)
- ~ Grease “only” containers: please do not put anything else in these drums
- ~ Gray water tanks: located throughout the team site / vendor areas

VENDOR COURTESY: We want “everyone” to have a great time, make lots of money, and go home happy! We’ve worked hard to provide a centralized food vendor area based on your required space, power, and water located in front of the Roanoke Building – front and center of the event, so everyone should have equal access to attendees. PLEASE remain in your assigned area to be respectful of your fellow vendors (no selling or providing samples outside that area).

NOTE: *Stonewall Resort is a beautifully landscaped state park / resort with LOTS of activities for the entire family, and they are excited to host this event. To return, we must assure the area is left “as we found it” ... meaning EVERY vendor MUST dispose of their trash, ash, gray water and other items BEFORE leaving the site. We’ve provided containers for these, so please take a few minutes to dispose of each item properly. It is YOUR responsibility to assure your assigned space is 100% clean and free of debris or trash before vacating the venue.*
