TRUREVIEW GROUP

We get it. Before you choose a partner vendor, you want to see how they work.

We make the process easy with our TruPreview offering. Here's how it works.

1. **INVOICES:** You provide us with up to 50 invoices from up to 5 firms (10 per firm).
2. **GUIDELINES, EXPERTISE & BEST PRACTICES:** We apply all 3 to review your invoices and make recommendations and deductions.
3. **BUSINESS CASE FINAL REPORT:** We present to you, and your key stakeholders, an analysis with projected savings, costs and ROI.

All on us. No cost. No commitment required.

Our team has decades of experience in bill review and legal spend management, working with hundreds of insurance Carriers and claims organizations. From consulting on guidelines, to finding compliance issues with firms, to developing firm scorecards and mining and analyzing data to drive action and results, our team is highly skilled at implementing programs and guiding companies to measurable savings.
