*“Bridging the gap between Kirksville  
Housing Authority and Community Landlords.”*

June 2025

## The Verdict Is In - Let's Go Digital!

In May's edition of Kirksville Housing Authority's Bridge Builder, we requested your feedback on items such as monthly Housing Assistance Payments (HAP) being made via ACH and an e-newsletter in lieu of this printed publication. By overwhelming majority, all things digital have received the most support!

KHA staff is working diligently behind the scenes with the appropriate contacts to ensure a smooth transition from paper checks to ACH payments. As you can imagine, this is a multi-step process involving numerous parties, and appropriate forms will be distributed to each of you as we progress further. While final, exact details are yet to be determined, we hope to distribute the necessary documents in next month's newsletter.

We appreciate all who've taken the time to submit their feedback! Whether ACH-related or not, we encourage each and every one of you to reach out to our landlord liaison, Courtney Blodgett, with any future needs or questions you may have.

And, as always, thank you for being an invaluable partner in strengthening the Kirksville community.
