

BRIDGE BUILDER

"Bridging the gap between Kirksville Housing Authority and Community Landlords."

YOU'VE GOT (E)MAIL

With the transition to ACH payments came the transition from paper check stubs and the migration of this publication to an electronic format.

Just like KHA's monthly Bridge Builder is now emailed, so is your monthly Housing Assistance Payment (HAP) check stub! These emails are system generated and sent automatically from our management software when payment is issued. You should expect to see something like this from **system@email.lindseysoftware.com**:

Because of these emails being system generated, some emails have been delivered to users' "Junk" or "Spam" folders. Please be sure to check these folders for your monthly check stub.

The software used for payment and check stub generation shows the exact date and time of generation and email. Should you have any questions or concerns regarding your monthly ACH payments and/or check stub emails, please reach out to

accounts payable@kirksvillehousingauthority.org.
