Dear Applicant,

We appreciate your interest in the Kirksville Housing Authority Programs. When returning your pre-application, please indicate at the top of the form which program(s) you are applying for. You may request both Public Housing and Section 8. Your name will be placed on the waiting list(s) at this time.

You may take the application packet with you to complete and gather as much information as possible. If you are applying for our Devlin Place or Village 76 complexes, it is very important that you provide us with the names and addresses of two previous landlords. Employment or income information must include complete addresses to help expedite the verification process. The application and release forms must be filled out completely and signed by all adult members of the household. Applications will not be considered complete unless birth certificates and social security cards accompany them for all members of the household including children.

Thank you,

Patti Preston,  
Executive Director
