We're glad you're here!

Dear Big Canoe Visitor,

Whether you are here for a weekend getaway or to spend time with loved ones, let me be the first one to welcome you to the unique, magical community that is Big Canoe.

From the moment you drive through the Main Gate and across our historic covered bridge, you know you've been transported to a special place that you won't soon forget.

To help you get acclimated to all that Big Canoe has to offer, we have pulled together this introductory brochure to answer your most immediate questions (Where can I eat? How do I get to the rockslide? Is street parking allowed?) and find your bearings on almost everything in Big Canoe.

Whether you take in a round of championship golf, bring the kids to the Beach Club's aquatic park, or explore our more than 25 miles of hiking trails, this document will help you make the most out of your visit.

Have a memorable time in the Mountains of Big Canoe!

Scott Auer

General Manager, Big Canoe POA

Things to remember

Welcome to Big Canoe, a private, master-planned community. The natural beauty combined with our array of amenities makes this a wonderful place to visit or to call home. To maintain the quality of life and ensure the safety of everyone and every living thing, please take a few moments to familiarize yourself with our top rules and regulations.

For more information, visit www.bigcanoepoa.org

NO OUTDOOR FIRES

Outdoor fires not fueled by propane are not permitted in Big Canoe; violators are subject to a \$5,000 fine.

STREET PARKING

Street parking should not block rescue and fire engine access. Overnight street parking is not permitted.

NO FEEDING WILDLIFE

Please do not feed the bears, deer or any wild animals. Bird feeders allowed Dec-Feb only. As Big Canoe is a nature preserve, feeding wildlife is prohibited; violators are subject to a \$5,000 fine.

RVS | MOTORCYCLES | ATVS

Visitors cannot bring RV's into the community. Motorcycles, trailers, and ATV's may be trailered into the community however cannot be operated on any of our roadways and must be parked inside garages overnight.

RULES OF THE ROAD

Maintain posted speed limits, mind your speed near the mobile traffic trailer, do not tailgate, and stay on your side of the road. No biking or skateboarding is allowed on streets, walking is prohibited on the main roads.

PETS MUST BE LEASHED

Dogs must be on a leash at all times inside the gates, including on the trails. Three dog parks are available for your convenience.

NO SMOKING

All POA facilities are non-smoking.

WILDLIFE IS PROTECTED

Hunting, trapping, wounding, or killing wildlife is not permitted.

QUIET HOURS

Big Canoe has a strict 10 p.m. noise restriction. No noise should be heard past the property line after 10 p.m. Exterior lighting shall be turned off when not in use.

DISCHARGING A FIREARM

Discharging a firearm or any other lethal weapon is not permitted.

PERSONAL WATERCRAFT

Personal boats, kayaks, canoes, and paddleboats must be registered with the Marina.

FOOD AT THE BEACH CLUB

Outside food may be brought into the Beach Club. Food and beverages are not allowed in or around the pool. Food is only permitted on the upper deck.

Top 5 tips

1 CELL PHONE COVERAGE

Cell phone coverage can be spotty throughout Big Canoe and varies among providers. DON'T rely on it for directions or emergencies. Carry a Big Canoe road map in your car.

2 GARBAGE & RECYCLING

Big Canoe visitors are directed to use the centralized trash collection system located near the North Gate for household trash, aluminum and metal recycling. You will need a transponder or gate pass to access the facility.

Most anything that fits in the open containers is acceptable for disposal, but flammables and refrigerants (such as freon) are specifically excluded. Contractors must dispose of work-related trash outside of Big Canoe and are not permitted to use these containers.

For more recycling options, go to East Side Recycling, 9720 Cove Road, Marble Hill, Ga 30148 from 8 a.m. to 5 p.m. Tuesday - Saturday.

3 NAVIGATING BIG CANOE

The white arrows on street signs lead you to the 4-way stop on Wolfscratch Drive in front of the Wellness Center and Fire Station.

4 GATE ACCESS

How do guests & visitors get gate access? The POA uses an Online Visitor Management System provided by dwellingLive. Only the homeowner or rental management company can call in guests. All communication goes directly to them, and they will contact the gate for you.

5 SOUVENIRS

You can purchase clothing, souvenirs and more at several retail locations in Big Canoe amenity buildings. These include the Golf Pro Shop and the Trading Post in the Clubhouse, the Marina Shack, the Racquet Club Pro Shop, and the Wellness Center.

Who to call

IF YOU HAVE AN EMERGENCY, DIAL 911.

For non-emergency help, please call Big Canoe's Public Safety at **(706) 268-3376**

Big Canoe Public Safety

The Big Canoe Department of Public Safety is a proactive, customer-oriented emergency services provider. Our objective is to provide the best possible fire, emergency medical and security services to the residents and guests of the Big Canoe community.

Nature

Lakes & Fishing

Big Canoe is more than a home for us; it is also home to a wide assortment of wildlife. Georgia Audubon in 2018 officially recognized Big Canoe as one of the oldest and largest certified wildlife sanctuaries in the state.

Big Canoe has five beautiful lakes for water-based sports and fishing including Lake Petit, which at 111 acres in area and 98 feet in depth boasts a large dam and the Marina; Lake Sconti, which is a smaller lake behind the Clubhouse; Lake Disharoon, which is home to the Beach Club; and finally, Blackwell Springs and Toad's Pond, which are two smaller bodies of water in the Waterford subdivision close to the North Gate off of Wilderness Parkway. Blackwell Springs and Toad's Pond can only be accessed with a fishing permit if you are not a Waterford resident.

Big Canoe is the premier trout fishing lake in Georgia. Fishing is permitted with a Big Canoe fishing license/day pass purchased at the Marina Shack where you will also find a variety of fishing gear and bait. Note that having a Georgia fishing license does not cover fishing in Big Canoe and it is not required for the purchase of a Big Canoe fishing license. Lake Petit is regularly stocked with rainbow trout. Trout cannot be thrown back, but the Marina will take anyone's unwanted catch. Limit: four trout per Big Canoe fishing license per day.

Trails

With roughly 30% of its 7,000+ acres preserved as usable green space, Big Canoe is rich in hiking trails – more than 25 miles worth – accompanied by natural waterfalls, babbling brooks and all the fresh mountain air you can imagine. Whether out for a power walk or an easy morning stroll, you'll be treated to lush scenery and a nice escape from the bustle of the everyday life. There is even a Jeep Trail, which is Big Canoe's off-road option designed specifically for 4x4 vehicles! For your safety be sure not to venture by foot onto any of our main roadways, such as Wilderness Parkway. For more information, stop by the Wellness Center or visit www.bigcanoetrails.com

FISHING FEES

DAILY PASS PER PERSON <i>Non-Property Owner</i>	\$20
CHILD - 12 & UNDER <i>when accompanied by adult with fishing license</i>	FREE

Big Canoe Black Bear Project

Seeing bears in Big Canoe is a privilege we all share. Disrespecting them is a safety concern for not only the bears, but also for us, our pets, our property and other wildlife.

You can respect our bear neighbors by:

- Keeping your distance
- Taking pictures with a telephoto lens
- Following the hiking tips below

TIPS FOR HIKING SAFETY

- Talk, sing or call out every once in a while.
- Stay alert. Do not wear headphones and look ahead on the trail.
- Keep children nearby and hike during daylight hours.
- Watch for signs of bears in the area: droppings, tracks, overturned rocks, broken up rooted logs, fresh claw marks on trees, root diggings and fur on tree trunks.
- If you smell or see signs of an animal carcass, such as birds circling overhead, leave the area immediately.
- Traveling on fast-moving mountain bikes can lead to a surprise encounter.
- Keep all dogs on a leash and under control.

BEAR FACTS

Things to remember when visiting Big Canoe

- Bears have a keen sense of smell and can detect the aroma of your BBQ, picnic, trash, fertilizer, compost, pet food and even your hand cream for miles.
- Remember: bears run as fast as 35 m.p.h.; are capable of opening doors, windows, coolers and refrigerators; and can climb deck poles and enter homes or cars.
- It is illegal to feed the bears intentionally or unintentionally. Keep trash in bear-safe bins.
