

Ryan Tillman's journey began with childhood encounters with racial profiling, shaping his commitment to fostering understanding and empathy. Drawing on a decade of service with the Chino Police Department, Ryan recognized the imperative need for transparency and dialogue.

This realization fueled the creation of Breaking Barriers United LLC (BBU), an organization through which he champions inclusivity, empathy, and unity. Through BBU, Ryan spearheads transformative initiatives, redefining the narrative of modern-day policing and reshaping workplace cultures nationwide.

As a seasoned police officer, Ryan's dedication to bridging divides extends beyond his uniform. He is a powerful advocate for change, leveraging his platform to challenge perceptions and promote meaningful dialogue. Ryan's book, "Happy Eyes," endorsed by Dak Prescott, delves into the transformative power of perspective, resonating with audiences worldwide. His commitment to embracing diversity and understanding has garnered attention from major news and entertainment networks, solidifying his reputation as a sought-after voice for building stronger, more harmonious communities.

Ryan's comprehensive approach combines law enforcement expertise with a deep understanding of human dynamics, allowing him to navigate complex social landscapes. His ability to communicate from the heart and his unwavering integrity empower individuals and organizations to embrace unity and inclusivity. Through his speaking engagements, podcast, and community outreach efforts, Ryan inspires positive change, leaving an indelible mark on society.
