*Member News, March 2018*

Dear Members,

Hopefully Spring will show up early this year. We have had a busy Winter with lots of things happening. By now you all know that Brian Boggs has taken a new job in Michigan and that the board has promoted Matt Young as our interim General Manager/ Course Superintendent. Kourtney Brown will be Clubhouse Manager and take care of all billing and banquet events. With that said, we all know what we need to do to keep the club moving forward.

New members are very important and scheduling more parties, banquets and wedding receptions are what is needed. So if you are having an event or know of someone that is going to need a place to hold an event, suggest the club.

During early January, we had the computer system crash. It has taken a while to get it back up and running. We lost all e-mail addresses and it has taken a while to get them all back into the system.

The new furniture for the grill should be here no later than March 23rd. As soon as we get it, we will be offering the old chairs for sale. If interested, contact the office for pricing.

The Board of Governors has decided to sell the land to the east of hole number 15. With the money from this sale, part of it will go to Croghan Colonial Bank to lower the mortgage, and the remainder will go into the capital improvement fund. We will be using a portion of this money to upgrade the ball room and dining room to make it more appealing for the events that we will be having. New furniture will be one of the items that will be updated. We as a board understand that there are mixed feelings about this sale, but the board feels that to upgrade our venue for parties is a very important part of keeping the club viable.

Look for e-mails from Matt and Kourtney for course conditions and clubhouse hours. Hopefully March will cooperate and be warm and dry so we can get back to playing the game we all love.

See you on the tee,

Kim Kinnear

It's that time of year again. We are fast approaching the days where everyone dislikes the Director of Grounds. Course conditions will be monitored daily for first cart use. Please keep carts off the course unless otherwise noted. The end of February melted a good amount of snow, and several rain events occurred making the course soft in several spots. We are hoping the warm weather arrives soon and stays, because cabin fever is setting in. We know everyone is getting the itch to get out and get the dust brushed off their game! Just like every year at this time, pay close attention to email updates on course conditions. Seasonal Grounds staff will be returning soon to start course clean up and to get ready for the first mow and roll of the season. We will try our best this year to keep up with the irrigation leaks. I am sure everyone is tired of using a portapot all the time. The irrigation system though has been on its last leg for a long time and it's very difficult to repair old lines with new materials. We will fix it as best we can and try to get the bathrooms up and running. We hope everyone had a great winter and we look forward to seeing everyone on the course!

Matthew Young, GCSAA  
General Manager/ Director of Grounds

As Kim had stated in his letter, I will be doing Billing now along with Banquets. We are all very sad to see Jen leave, but I'm very grateful for the opportunity to take on the Billing. I'm hoping for a smooth transition, but if you find any errors with your Statements, please don't hesitate to call. Also, if you have any Dining issues, please let me know. We cant correct mistakes if we don't know of them. **Office hours are Monday - Friday 9 - 4.**

Thank you,  
Kourtney Brown  
Clubhouse Manager

We would like to, once again, give a huge "THANK YOU" to the FCC Ladies. Their Christmas Coffee brought in substantial donations for the kitchen. Carol was able to purchase new shirts and hats for the kitchen staff, new beaters for her mixer, and the rest will go towards new equipment. All thanks to the kindness and generosity of our ladies. Thank you so much.

Easter Brunch will be Sunday April 1, 2017. Make sure to get your reservations in. This brunch fills up very quickly. We will have two seatings again this year. The first will be 10-12 and 1-3. We will also have the Easter Bunny here! Please call the club if you have any questions!

HAPPY  
EASTER
