

Dear Members,

It is with immense pride and a deep sense of gratitude that I write to you today as your new Head Golf Professional. While I am stepping into a new role, Fremont Country Club already feels very much like home. I have had the privilege of playing in the Member-Guest here every year since 2019, and I have long admired the culture and rich history of a club dating back to 1921.

Golf has been the center of my life since I was young. I have dedicated myself to this game without regret, and I believe that opportunity is where luck meets preparation. I feel incredibly fortunate for this opportunity, and I am as prepared as I am eager to learn.

As I step into this role, I am honored to share that Chris Aseltine has graciously offered to serve as a mentor to me during this inaugural season. His guidance, paired with my vision for the club, ensures that we are honoring FCC's storied traditions while constantly elevating the member experience.

What You Can Expect This Season:

- **A Curated Pro Shop Experience:** With a background rooted in apparel and golf retail, I view the Pro Shop as my baby. My focus is on careful curation that invites every member to enjoy their experience in the shop.
- **A Pure Approach to the Game:** No matter your skill level, I am here to help you fall in love with the game (or the grind) all over again. My goal is to be a resource for everyone, from the true beginner to the elite competitor.
- **Presence and Partnership:** My door is always open. Whether we are discussing your swing, the latest tournament on Tour, or swapping stories after a round, I want to be a constant resource for you.

I am already hard at work preparing for the 2026 season. My goal is simple: to ensure your experience at Fremont Country Club is nothing short of fulfilling.

I look forward to seeing many familiar faces—and meeting many new ones—on the first tee very soon.

**Warm regards,
Jordan Hakim**
