Member News

Dear Members,

December has snuck up on us again. It sure does feel like Winter and Christmas time. Hope you all have a wonderful Holiday season. Brian has sent out an email regarding the “Employee Christmas Fund”. I know we all appreciate the hard work by the staff over the past 12 months. Now is a time we can show that appreciation. Thank you in advance for your support.

The Board will be choosing the officers at our December meeting and the results will be communicated by email. The Board members for 2020 are Al O’Neal, Dan Polter, Scott Hanes, Paul Hershey, Mark Miesle and myself. We have a very hard working group of board members and with the continued guidance of Brian, we will continue moving forward in a positive manner.

As I mentioned at the annual meeting, next year will be our 99th year! We will be asking member input to figure out some ideas for the following Centennial year.

Again, I want to give a huge “SHOUT OUT” to Matt Young for the unbelievable job he and the grounds crew did on the course for 2019. I always say he does it with smoke and mirrors, but he gets it done and it’s appreciated.

I would like to thank the Clubhouse crew including the wait staff, kitchen staff, and Jennifer for their continued hard work with very difficult schedules. There are a lot of Holiday parties scheduled at the Club for December, so make sure to call ahead for reservations and keep an eye out for emails concerning Club closures.

One last shout out to Brian! He and the Golf Staff strive to make all members golfing experiences the best at FCC. He has come in with a ton of ideas that has helped us survive very difficult times. When he first arrived at FCC, we had 97 golf members. We now have over 160. Without his leadership and the continued hard work, we would be telling a completely different story. So again, THANK YOU!

Merry Christmas and Happy New Year!

Golf Shop News

Another season has come and gone! I would again like to thank all members for their participation in the 2019 events. Without the support from the members, no event would be possible.

I am currently finishing up with the 2020 FCC Tournament Booklet. The booklet will showcase all events for 2020 with format descriptions, entry fees and the start time of each event. The tournament booklet will be sent out via email once it's complete.

The Holiday Season is already upon us, so let FCC Golf Shop be your shopping destination for that special someone. Starting Wednesday, December 11th all Shop merchandise will be sold at COST!! You can't find a better deal anywhere else, so make sure to stop out and grab your gifts. If for some reason we don't have what you're looking for, please let us know and we will do our best to get it here with quick turn around time.

REMINDER:

All Golf Shop Credits must be used by Saturday, December 21st. They will not be carried over to next season. If you need to check and see if you have any Golf Shop Credits, please stop by, call 419.332.2646 or simply email at fccgolfshop@outlook.com

Mark your Calendar for Wednesday, December 18th. The Club is having a Member Appreciation Holiday Party. The event will be from 5:30 PM-8:00 PM, so make sure to free that schedule up and enjoy a great evening of fun with great members!

Thanks for all the continued support of the Golf Shop and Fremont Country Club!!

Happy Holidays,

Brian J. Boggs, PGA Member

The Greens Section

- Mother Nature has aided in leaf removal. The oaks, lindens and pear trees are holding on to their leaves as long as possible. If there are any more warm days available and the ground is firm enough, more mulching and blowing will be done.
- Seed is germinating under covered areas on the greens.
- All Tee Markers will be removed from tees and painted for next season.
- Course conditions will continued to be monitored daily for allowing carts on course.
- In last months newsletter, there was a small write up on trees. Once the ground firms (freezes solid) some of the dead trees will be removed. Several trees on the course are affecting the greens and need attention. All tree removal (except dead trees) will be approved by the Board and taking to membership before any decision is made.
- The maintenance shop is in a steady flow of equipment and cart service maintenance preparing for the 2020 season.

Happy Holiday's
