Dear Members,

This month brings a lot of changes for the golf season with falling leaves, colder temps, greens being plugged and other course changes. I hope all have a chance to play this month as the ever popular Superintendent's Revenge is coming up soon. We have 2 board seats open for a 3 year term. As of this letter, we have had no one show an interest in these positions. If by the 15th of the month, no one requests that they be put on the ballot, the board will remain in tact for the next year. If you are interested, let Brian or a board member know. Thank you.

We will be having our annual meeting in November. Date to be decided at our October board meeting. Look for the date from e-mails in the second half of October. The Board wants to thank everyone that donated to the Capital Fund campaign. If you are still thinking of donating, contact John Connell or Brian Boggs. All donations will remain confidential and only be used for capital expenditures.

Golf Shop News

“Attitude will always win out on ability.” —Dr. Bob Rotella

It's hard to believe that it's that time of year when it starts to cool down and the leaves are changing colors. I want to take this time to thank all of you for your support of Fremont Country Club and myself as your GM/Head Professional. I want to thank all of you who participated in our events throughout the year. The goal of the tournament program is to offer a mix of fun and competitive events. I am always looking for new events to mix in with our current tournament schedule, so if you have an idea, stop in and share it with me. Don't forget that your golf shop credit will expire on December 15th, so stop in the shop and spend your winnings before it's too late. If you would like to know how much credit you have on the books, stop into the golf shop and we can look it up for you. The Fall Golf Shop Sale will begin October 16th and will run through November 15th. Enjoy the beautiful Fall weather, and I hope to see you out at the club soon!

I would like to personally thank the FCC Ladies Association for a great season. It has been delightful working with the ladies on Thursday mornings!!

To better help staffing the Clubhouse, we would greatly appreciate members calling ahead with reservations at any time you plan to dine at Fremont Country Club, that way the Kitchen Staff and Wait staff can have everything ready for the members coming.

On another note, if there is a special occasion, birthday, you have guest visiting or just simply would like to have a something different than what's on the menu, whether it be Steak, Duck, Lamb, etc. ... please contact Brian several days in advance and he will accommodate your needs to the best of his ability. We've had several members that have taken advantage of this great service and have enjoyed many special evenings with smaller groups.

The Greens Section

- Greens Aeration will begin October 14th and 15th
- Bad spots on #1,#3,#6,#12,#13 greens will be cored, sanded, seeded
- Tees, Approaches, Fairways will be aerified when time allows and before the snow flies
- Bathrooms on course will remain closed as irrigation repairs are being done.
- Grub control timing was tough this year. The spring was very wet and there were minimal signs of beetles throughout the summer. The chemicals put down controlled most of the grub activity. There are several areas of skunk/raccoon damage but they are only picking and not rolling big areas of sod up. I will continue to monitor this to see if another chemical application will be needed.
- Please continue to fix ball marks on greens, fill divots with sand, and keep carts 30 feet from greens.
- The leaves have begun to fall. Very minimal right now but should increase as we get deeper into the month. We only have one tractor in operation which has the rough mower attached to it. As the leaves fall I will try to balance blowing and mulching with the tractor.
- The new greens mower has arrived. The adjustments will be tinkered with over the next few weeks to see what its limitations are.
- The end of the season is quickly approaching so I want to give a shout out to my staff. The three of them plus Denny have worked extremely hard to provide everyone a great place to play golf. Having the very minimum to work with they got the job done. Thank you guys for your hard work!
