STEPHEN HARVEY

THE CURIOUS HUMOURIST

About Me: I'm not your typical safety professional. With years of experience in safety leadership coaching and organisational learning, I transform workplaces by sparking curiosity, embracing creativity, and integrating humour to create lasting change. My approach goes beyond checklists and compliance; I build authentic connections and trust, making safety memorable, relatable, and fun. I have spoken at events in America, New Zealand, and Ipswich.

TOPICS

Safety Beyond Compliance: Cultivating Curiosity and Care

Yes Laughing Matter: Using Humour to Enhance Safety Communication

Creative Sparks: Igniting Innovative Thinking in Safety

That's not supposed to happen: A mechanics story of injury and recovery

WHY BOOK ME?

Unique blend of deep safety expertise and professional comedy training

Proven ability to quickly build trust and rapport with diverse audiences

Memorable, engaging sessions tailored specifically for your organisation's needs.

"Who knew safety could be so entertaining"

"Stephen's message about being human in the workplace is brilliant!"

"Excellent content, well crafted, setting post benchmarks with your own distinctive flavour!"
