Michelle Weisheim

Michelle and her husband Bob have been married for 14 years. Together they have three busy young girls, Cheyenne, Brigitte, & Charlotte. The Weisheim family also includes their 120 lb. "lap dog", a Great Dane named Ottis. Michelle was formerly a medical assistant, working in an OB GYN department at Aurora Health Care for 18 years. Bob has worked at WE Energies for 20 plus years. Their girls keep them extremely busy, and they especially love to watch them compete in dance throughout the Midwest. When she isn't participating in various charitable events in the area; Michelle and her family enjoy being outdoors, drag racing, and working on classic cars.

Michelle, along with her family, is very active in their small town and the great state of Wisconsin. On any given day, you could see the Weisheim family participating in clothing drives for those in need, fundraising efforts for local domestic violence victims, special needs prom, and even serving breakfast on the farm! Her love for her community is evident, and she is always searching out new ways to help those in need. During her reign as Mrs. Wisconsin America 2019, she had performed 150 hours of community service throughout Wisconsin. As someone who has participated in the pageant industry since her teen years, Michelle knows the value of hard work, and lives each day by the Weisheim motto to "never give up".
