Directors

Natalie Boyd-Natalie and her husband Steven are no strangers to the Mrs. America

system. Natalie was honored with the crown of Mrs. Wisconsin America in 2012. Her experience in the pageant industry has been extensive for that last 25 years including local and national titles and even judging. She enjoyed several modeling opportunities such as being featured in a Match Maker commercial, Hawaiian Tropic model, and a Budweiser calendar model for 4 years, Natalie has vocally performed at over 100 venues singing the National anthem including 4 years at Hodag Country Festival. She composed and performed a song called "Leanne's Song" for a charity CD to help raise money for needy families in Milwaukee and was the winner of the local American Idol contest in Wausau.

Natalie has a Masters Degree from Brescia University and worked in Radiation Oncology for over 17 years and for the past 10 years, she has been working as a Business owner of Boyd Insurance & Financial Solutions, LLC.

In her spare time, she enjoys spending time with her family, boating, traveling, karaoke, and volunteering for her community. She is currently serving as a board member on the Women United Council/United Way for the last 3 years.

Steven Boyd - Steven, a Certified Medical Dosimetrist, has dedicated his professional

career to improving the lives of cancer patients over the past 31 years. Starting his career as a clinical professional, he now works for Philips medical systems as a Product Manager in charge of software design for the Philips Radiation Oncology treatment planning system. His exposure to the pageant life began in 2012 when his wife decided to compete. He gained a whole new appreciation of the dedication and passion it takes to participate and win a pageant.

Assistant Coordinator

Michelle Weisheim - We were thrilled

this year to have Michelle join our staff! As a former Mrs. Wisconsin America 2019, Michelle knows what it takes to be an amazing queen. Her and her husband Bob have been married for 15 years. Together they have three busy young girls, Cheyenne, Brigitte, & Charlotte. Their girls keep them extremely busy, and they especially love to watch them compete in dance throughout the Midwest. When she isn't participating in various charitable events in the area; Michelle and her family enjoy being outdoors, drag racing, and working on classic cars. Michelle, along with her family, is very active in their small town and the great state of Wisconsin. On any given day, you could see the Weisheim family participating in clothing drives for those in need, fundraising efforts for local domestic violence victims, special needs prom, and even serving breakfast on the farm! Her love for her community is evident, and she is always searching out new ways to help those in need. During her reign as Mrs. Wisconsin America 2019, she had performed 150 hours of community service throughout Wisconsin. As someone who has participated in the pageant industry since her teen years, Michelle knows the value of hard work, and lives each day by the Weisheim motto to "never give up". -

Tim Kretschmann: was the host of a

Milwaukee German Radio Program, the Stimmung Stunde, for 17 years and found his true love: podcasting which is a form of broadcasting over the internet. The TKPN network includes a video program dedicated to beauty pageants called the PageantCast which started as an audio program. It can be found at http://www.pageantcast.com. The PageantCast has interviewed five past Miss USAs, two Miss Universes and many other pageant titleholders: local, state and national.

In fact, at recent count Tim has conducted over 975 pageant titleholder interviews and released over 340 audio episodes and over 200 video episodes. The PageantCast continues to bring in new viewers each week from around the world. Every continent on the planet has listened to this program, and his audience continues to grow! He hopes that all of you will check out his website after the pageant today. He also produces a video podcast for law enforcement and an audio podcast for horror movies. He's aware those aren't all that similar.

When Tim isn't broadcasting, he is a Alliance Coordinator for We Energies.
